Dear Neil

On behalf of Achievement for All may I offer my sincere thanks to you for your kind and generous gift of the printer – it is perfect for our new office and we are extremely grateful.

As a new charity based here in Newbury we rely on the support of businesses such as yours to enable us to create an excellent working environment for our staff and allow us to continue to channel our funding into delivery of our school improvement programme.

Please also pass on our gratitude to your team for their assistance.

Yours sincerely
